BATTLE OF LIAOYANG

JAPS AND RUSSIANS ENGAGE IN
A CONFLICT THAT MAY END
THE CAMPAIGN.

FIGHT RAGES ALL ONE DAY

ISLANDERS POUND AWAY AT RUSSIAN LINES WITH TWELVE HUNDRED GUNS.

St. Petersburg, Aug. 31.—The great battle of Liao- yang, which began early Tuesday morning, raged throughout the day with increasing intensity, but up to Wednesday morning no further official details beyond the two brief telegrams given out Tuesday afternoon have been received by the war office.

Every confidence is expressed in General Kuropatkin's ability to meet the Japanese assault on grounds of his own choosing, but the city is hungrily awaiting further news of the progress of the fight.

The Japanese forces engaged in this battle can only be estimated, but they are believed to number about 200,000 men. General Kuropatkin is known to have six army corps, besides seventeen squadrons of cavalry, in which great confidence is reposed, bringing up the Russian total to about the same number that the Japanese have. How the armies compare with regard to artillery is not definitely known, though throughout the war the Japanese have shown great preference for this arm and great skill in its use.

Reports from the front, credit the Japanese with having about 1,200 guns and many mountain batteries and it is known that they recently shipped twenty-four heavy guns to Yinkow. Four of these guns already have been mentioned in press dispatches as being in action.

Kuropatkin Has Heavy Guns.

General Kuropatkin, in addition to his field batteries, has a number of very heavy guns emplaced at important positions at Liao- yang, where the Russians have been strongly fortified for some time.

The Japanese claim to have captured two field batteries during the past two days. Russian official accounts admit the loss of only six guns. It is stated that a Japanese battery was captured south of Anshanghai, during the preliminary fighting and that several Japanese guns have been destroyed since then.

Little of the strategic situation has developed so far. Official news from the front says that there was desperate fighting on the southern center, while from information from other sources it appears that the Japanese are endeavoring to turn the Russian right flank from the neighborhood of the junction of the Taisho and Sakhe rivers. The fighting on the western flank appears to have approached within three miles of Liao- yang.

The news from Port Arthur up to Aug. 26 was reassuring. The account of the battleship Sevastopol having gone out on Aug. 23 to bombard the Japanese in Tahe bay does not mention that vessel striking a mine.

A dispatch from Vladivostok mentions the presence there of General Rennenkampf, who recently left the hospital at Liao- yang on sick leave.

JAPS LOSE TEN GUNS

ALL ATTEMPTS TO TURN THE RUSSIAN FLANK END IN TOTAL FAILURE.

St. Petersburg, Aug. 31.—A dispatch from Mukden under Tuesday's date says that in the stubbornly fought battle which has been in progress near Liao- yang since Tuesday morning all attempts of the Japanese to turn the Russian flank have been repulsed. It is said at Mukden that the Japanese lost over ten guns, but details had not been received there.

RUSSIANS GREATLY WORRIED.

Battle of Liao- yang Causes Considerable Uneasiness.

Liao- yang, Aug. 31.—A Russian correspondent supplies the following under date of Aug. 30:

The historical moment has arrived and the battle of Liao- yang is now in progress.

It was not 6 o'clock this morning when the first gun was fired, but soon afterward hundreds of cannon were thundering along our southern and eastern fronts.

The center of our position is located near the famous Tower of Liao- yang, about seven miles to the southeast. The fighting there was of the most desperate character but is now going on nearer at the flanks.

The hissing of shells is distinctly audible and from the city it is easy to see the shells bursting.

Heavy guns were brought into action by both sides, and their dull roar was discernable above the sharper detonation of field and mountain guns.

The Russians are using big ordnance, which is in position in the inner ring of the Liao- yang forts.

The noisy Chinese population has suddenly become quiet. The main street of Liao- yang, always the scene of the busiest traffic and usually resounding with thousands of shrill

voices from sunrise to sunset, is now as silent as if it were night.

The inhabitants are watching the distant battle from the housetops.

We are asking ourselves if the tide of battle is going to swamp the city, what is to become of the houses and other property.

Baltic Fleet Back at Cronstadt.
Cronstadt, Aug. 31.—The Russian Baltic squadron, which left Cronstadt Aug. 25 on a trial cruise, returned to its harbor Tuesday.

ARTILLERY FIRE CEASES.

Casualties at Battle of Liao- yang Not Ascertained.

London, Aug. 31.—A dispatch from Liao- yang to a news agency dated Aug. 30, says:

"The Japanese artillery fire only ceased at 8 o'clock this evening. The casualties have not yet been ascertained."

"The Third Russian corps repulsed a hot Japanese assault, the Japanese being hurled back by bayonet charges, first by the Twenty-third and then by the Twenty-fourth regiments, which received and repulsed the enemy no less than six times. Two Japanese companies which succeeded in occupying a Russian position were mistaken for Russians and annihilated by Japanese artillery fire.

"At 4 o'clock in the afternoon the Japanese concentrated their fire on a Russian southern detachment and also tried to outflank the detachment from the right under the protection of the batteries.

"One company after another was noticed running swiftly to the westward in an attempt to outflank the position, but a Russian regiment and a battery were ordered to advance and succeeded in forcing the enemy to retreat in disorder, evacuating positions they previously had gained.

"There has been an immense expenditure of ammunition throughout the day, especially on the southern front against the Russian Third corps.

"It is believed that the Russian losses so far have not been very heavy except to the regiments which sustained bayonet charges. All the men serving one Russian gun except one were killed by shrapnel. The survivor, who was badly wounded, heroically brought his gun to headquarters and even then refused to quit his place until the general peremptorily ordered him to a hospital.

"A more energetic attack is expected tomorrow.

"It seems that General Kuropatkin's force did not participate in today's engagement.

"The morale of the Russian troops is excellent."

THREE COURSES OPEN

KUROPATKIN MAY EVADE DEFEAT AT HANDS OF JAPANESE ARMIES.

London, Aug. 31.—The Express' St. Petersburg correspondent wires:

"The Russian army at Liao- yang offers two fronts against the enemy. A powerful rear guard, well supplied with guns, is defending the town from entrenched positions a few miles to the south on a ten-mile line. The other section of the army has passed through Liao- yang by the Mukden road and is offering a front against an expected flanking movement. Kuropatkin realizes his safety depends on a crushing flank attack, while his rear guard holds Liao- yang. All impedimenta of the army are moving over the plains north of Liao- yang.

"Three courses are open to Kuropatkin: If the rear guard can hold its position in the south and a turning movement can be crushed in the north, he reaps a splendid victory. If he fails against the flanking columns he can retreat towards Mukden safely, as the Japanese have insufficient cavalry for pursuit. The rear guard, however, might unavoidably have to be sacrificed. If defeat of flank and rear comes his Liao- yang position will become a second Ladysmith.

"An army of 160,000 disciplined troops is being prepared for dispatch to Harbin. They are of vastly superior quality to the Siberians now fighting and theirs will be the task of starting a winter campaign on a level footing or of attempting to relieve Kuropatkin if he is beset in either Liao- yang or Mukden."

Siberian Corps at the Front.

Berlin, Aug. 31.—Special dispatches from St. Petersburg report that the entire Fifth Siberian army corps has arrived in the war zone. Service on the Transiberian railway has been still further improved.

DATE FOR THE FINAL REVIEW.

Spectacular Feature of Army Maneuvers to Be Held Sept. 10.

Gainesville, Va., Aug. 31.—General Corbin has fixed Sept. 10 as the date for holding the final review of the 25,000 troops to participate in the annual maneuvers of the army, and Wellington, Va., as the place for holding the review, which is to be the spectacular feature of the maneuvers. Large crowds are expected from Washington and the East.

General Corbin is having the militia study transportation and camp sanitation. Practice marches now form the main part of the daily programme.

Ezrurra Willing to Resign.

Buenos Ayres, Aug. 31.—It is reported at Asuncion, capital of Paraguay, that President Ezrurra is willing to resign, but that so far he has been dissuaded from so doing by Generals Caballero and Escobada, who are actuated by personal reasons.

JAPANESE BEATEN OFF

REPULSED AFTER SEVERAL ATTEMPTS TO CAPTURE PORT ARTHUR FORTS.

RUSSIAN GUNS KNOCKED OUT

BUT THE SHATTERED ORDNANCE IS REPLACED WITH SOME FIELD PIECES.

St. Petersburg, Aug. 31.—Direct news from Lieutenant General Stoessel, commander of the Russian military forces at Port Arthur, up to Aug. 25, of a favorable character, has been received here.

General Stoessel's report says that the Japanese attacks were repulsed till Aug. 27, with heavy loss to the attackers. He gives no details of the positions held or the Russian losses in men, but says the officers suffered severely, especially the younger ones. Some of the larger Russian guns were placed out of action by the Japanese batteries and were replaced by field pieces.

The general describes the stench from the decaying bodies between the lines as being horrible. He reports that the morale of the garrison is excellent.

Finally the general recommends Generals Fock, Kondratenko, Smirnov and others for bravery and devotion.

SITUATION AT PORT ARTHUR.

Japs Deliver Three Futile Assaults on the Baredoutny Battery.

Chefoo, Aug. 31.—The following word has been received from Port Arthur:

"Aug. 23.—It is quiet on the eastern front. The guns on Quail hill and the shore batteries successfully bombarded the enemy on the eastern front. The Japanese have occupied the quarantine station at the village of Dayangow. The battleship Sevastopol went out this morning to bombard the enemy in Tahe bay, but withdrew under cover of the batteries upon the appearance of the cruisers Nishin and Kasuga, with a detachment of torpedo boats.

"Aug. 24.—Last night and this morning the Japanese delivered three assaults on the Baredoutny battery, but the enemy was driven off by shrapnel from the rear with heavy losses.

"Aug. 25.—The Japanese are hurriedly entrenching at the foot of Ougloyava or Corner hill, to the north-east of Port Arthur.

"Aug. 26.—There has been no change."

TO END THE ORIENTAL WAR.

King of Belgium Wants President Roosevelt to Use His Good Offices.

Oyster Bay, N. Y., Aug. 31.—Information has been received at the executive offices here of the arrival in New York of G. Francotte, a delegate to the peace conference which is to be held in September at the St. Louis exposition. He is said to be the bearer of credentials from the king of Belgium to President Roosevelt requesting the latter to use his good offices in the restoration of peace between Russia and Japan, but no engagement has been made for Mr. Francotte to see the president.

PICNICKERS ANNOY PARKER.

Enter Grounds Without Permission and Commit Depredations.

Esopus, N. Y., Aug. 31.—Judge Parker's candidacy for president of the United States has caused his place at Rosemount to be visited by picnic parties in constantly increasing numbers. Some of the parties come from long distances. They enter the grounds, usually without introduction or permission, make themselves at home and strew the grounds with picnic leavings. One party recently stripped several of the apple trees in the orchard and committed other depredations. Judge Parker has been most cordial in his treatment of all visitors, but the picnickers are causing much annoyance.

Tuesday was one of the quietest at Rosemount since the Democratic national convention. The best known visitor was Senator Trask, the New York banker, who was a guest at luncheon.

FATAL FIGHT IN TENNESSEE.

Floyd Hilton Kills Two Men and Wounds a Third.

Jellico, Tenn., Aug. 31.—While on their way home from attending a circus Floyd Hilton of Palsey shot and killed Will and Flen Bray of Mud Creek, Ky., and dangerously wounded their father when about a mile from here. Hilton claims that during an altercation the two Bray boys threw him from their wagon and the shooting followed.

Son of Senator Davis Ill.

Elkins, W. Va., Aug. 31.—John T. Davis, only son of Democratic nominee Henry G. Davis, is a patient in Davis Memorial hospital. He was Tuesday brought from New York suffering from typhoid fever. His condition is critical. Senator Davis is very much worried, the death of his wife and daughter being due to the same malady.

RUSSIAN LOSSES THREE THOUSAND

General Sakharoff Telegraphs at Conclusion of Tuesday's Battles The Result.

SIXTEEN HOURS OF FIGHTING

Position Taken by Japanese Are Retaken by the Russians after Desperate Fighting.

SPECIAL TO THE DAILY DISPATCH:

St. Petersburg, Aug. 31.—General Sakharoff telegraphed at the conclusion of Tuesday's sixteen hours fighting around Liao- yang the estimates of the Russian casualties for the day. Figures are placed at three thousand. The battle ended at 9 o'clock at night, when many positions occupied by the Japanese were retaken and held by the Russians after desperate fighting. No news was received from Liao- yang today.

CRUSADE ENDS IN MURDER.

Pennsylvania Detective Kills One Man and Wounds Another.

Pittsburg, Aug. 31.—The crusade carried on by the Allegheny county Sabbath observance association for the past three weeks to enforce the Blue laws of 1794, resulted in riot and murder in Allegheny Tuesday. The man who was killed was identified as Harry D. Knox, driver of an ice wagon. The enforcement of the old laws which prohibit the sale on Sunday of ice, soda water, candy, cigars and other articles of merchandise has aroused intense feeling throughout the county and many threats have been made against the prosecutors.

Tuesday night Chief Detective for the association H. T. Gamble and two of his force, Nelson C. and Harry W. Starkey, were on trial for perjury.

When the hearing was concluded a mob of 1,600 made a rush for the detectives. Gamble was knocked down and rendered unconscious, while the other detectives were roughly handled. When the detectives left the office the crowd renewed hostilities. Nelson Starkey fired into the crowd twice, the first shot wounding one man in the hand and the second bullet entered the abdomen of Knox, who died en route to the hospital.

PURSUES SENATOR CLARK.

insane Man Chases Montana Millionaire at Missoula.

Missoula, Mont., Aug. 31.—United States Senator W. A. Clark was attacked here Tuesday by an insane man known on the streets as Joe Peg, who thought the senator had been breaking the game laws and was carrying a grouse in his hip pocket and who threatened to take the senator's life. Peg followed the senator several blocks, persistently calling upon him to hand over the grouse. Senator Clark ran panting into the lobby of the Florence hotel and demanded protection. He was sure that Peg had a gun, for several times the latter had made motions to pull it and threatened to shoot unless the senator would give up his game bird. The insane man was overpowered.

AMERICAN IS VICTOR

THOMAS J. HICKS WINS THE OLYMPIC

PIC MARATHON FOOTRACE

AT ST. LOUIS.

St. Louis, Aug. 31.—The Olympic Marathon race, the third footrace contest of the kind ever held and the first ever held on American soil, participated in by thirty-one men classed among the fleetest runners of the world, was won Tuesday by Thomas J. Hicks of Cambridge, Mass., who is the first American to win this event, celebrated in the revival of Olympic games. Albert J. Corey of Chicago, a native born Frenchman, crossed the goal line second, and A. L. Newton of New York city crossed third. The distance of the race was 40 kilometers, equal to 24 miles and 1,500 yards.

This distance was run by Hicks in the officially announced time of 3 hours, 28 minutes and 53 seconds; Corey, 3 hours, 34 minutes and 16 seconds; Newton, 3 hours, 47 minutes and 33 seconds.

The first Olympic Marathon race was held at Athens, Greece, in 1896, and was won by Loues, a Greek, in 2 hours and 55 minutes; the second race was held in Paris in 1900 and was won

by Teato of France in 2 hours and 53 minutes.

Fred Lorg of New York city was the first runner to cross the goal line, but he was immediately disqualified because he admitted that he had ridden about three miles in an automobile, because of physical exhaustion.

William K. Garcia of San Francisco, one of the runners, was found at night lying unconscious by the roadside several miles from the stadium. He was taken to the emergency hospital at the world's fair and restored to consciousness. He will recover.

UNABLE TO GET BOND.

Office of State Treasurer of Wisconsin Declared Vacant.

Madison, Wis., Aug. 31.—Because State Treasurer Kempf was unable to furnish the \$250,000 additional bond demanded of him by the governor the latter has formally declared the office of state treasurer vacant under the statutes. Kempf declares that he will be state treasurer until his successor has been appointed and has qualified. He does not believe any one can get the required bond of \$250,000 and for that reason expects to be able to serve the remainder of his term. He has notified all banks acting as state depositories not to pay out any state money for which he is responsible.

Kills His Wife and Suicides.

Rock Island, Ill., Aug. 31.—Henry Stewart Tuesday shot and killed his wife and then killed himself. The tragedy followed Stewart's fruitless plea to his wife to return to him, she having begun suit for divorce.

80 PER CENT OF THE ADULT POPULATION SUFFER FROM ONE PAINFUL AILMENT.

Think what this means. Imagine the amount of misery that exists and is endured simply because people do not know there is an absolute cure.

The only way to cure any complaint is to remove the cause. There are very few diseases or ailments that can be cured by external application—and piles is not one of them. Piles can be cured; the treatment must, however, be internal, for the cause of piles is an internal disorder of the liver or the bowels. Even catarrh of the stomach and bowels can be cured by DR. PERRIN'S PILE SPECIFIC, The Internal Remedy. Here is an instance of what this practically infallible remedy will do:

Dr. C. A. Perrin, Helena, Mont.—Dear Sir: I have nearly finished the former bottle of Perrin's Pile Specific and am practically well. My case was one which most physicians would have pronounced incurable, as I was afflicted with a dysentery and compelled to go to the toilet room from three to five times each day and each time would bleed from one-half to one teaspoonful. I had to resort to bandages and absorbent cotton to check the flow of blood, and now the past ten or twelve days there has been no sign of bleeding and my appetite is good; have gained ten pounds in weight and feel like a new lease of life was given me.

Very truly yours,
T. R. HARRIS,
Yerington, Nev.

Dr. Perrin's Pile Specific is sold by all reliable druggists at \$1.00 the bottle, under an absolute guarantee to refund the money should this great internal remedy fail to cure.

nese artillery fire.

"At 4 o'clock in the afternoon the
Japanese concentrated their fire on a
Russian southern detachment and also
tried to outflank the detachment from
the right under the protection of the
batteries.

"One company after another was
noticed running swiftly to the west-
ward in an attempt to outflank the po-
sition, but a Russian regiment and a
battery were ordered to advance and
succeeded in forcing the enemy to re-
treat in disorder, evacuating positions
they previously had gained.

"There has been an immense ex-
penditure of ammunition throughout
the day, especially on the southern
front against the Russian Third corps.

"It is believed that the Russian
losses so far have not been very heavy
except to the regiments which sus-
tained bayonet charges. All the men
serving one Russian gun except one
were killed by shrapnel. The sur-
vivor, who was badly wounded, hero-
ically brought his gun to headquarters
and even then refused to quit his
place until the general peremptorily
ordered him to a hospital.

"A more energetic attack is expected
tomorrow.

"It seems that General Kuropatkin's
force did not participate in today's en-
gagement.

"The morale of the Russian troops
is excellent."

THREE COURSES OPEN

KUROPATKIN MAY EVADE DE-
FEAT AT HANDS OF JAPA-
NESE ARMIES.

London, Aug. 31.—The Express' St.
Petersburg correspondent wires:

"The Russian army at Liaoyang of-
fers two fronts against the enemy. A
powerful rear guard, well supplied
with guns, is defending the town from
intrenched positions a few miles to the
south on a ten-mile line. The other
section of the army has passed through
Liaoyang by the Mukden road and is
offering a front against an expected
flanking movement. Kuropatkin real-
izes his safety depends on a crushing
flank attack, while his rear guard holds
Liaoyang. All impedimenta of the
army are moving over the plains north
of Liaoyang.

"Three courses are open to Kuropatkin:
If the rear guard can hold its
position in the south and a turning
movement can be crushed in the north,
he reaps a splendid victory. If he
fails against the flanking columns he
can retreat towards Mukden safely, as
the Japanese have insufficient cavalry
for pursuit. The rear guard, however,
might unavoidably have to be sacri-
ficed. If defeat of flank and rear
comes his Liaoyang position will be-
come a second Ladysmith.

"An army of 160,000 disciplined
troops is being prepared for dispatch
to Harbin. They are of vastly super-
ior quality to the Siberians now
fighting and theirs will be the task of
starting a winter campaign on a level
footing or of attempting to relieve
Kuropatkin if he is besieged in either
Liaoyang or Mukden."

Siberian Corps at the Front.

Berlin, Aug. 31.—Special dispatches
from St. Petersburg report that the
entire Fifth Siberian army corps has
arrived in the war zone. Service on the
Transiberian railway has been still
further improved.

DATE FOR THE FINAL REVIEW.

Spectacular Feature of Army Maneu-
vers to Be Held Sept. 10.

Gainesville, Va., Aug. 31.—General
Corbin has fixed Sept. 10 as the date
for holding the final review of the 25-
000 troops to participate in the annual
maneuvers of the army, and Wellin-
ton, Va., as the place for holding the
review, which is to be the spectacular
feature of the maneuvers. Large
crowds are expected from Washington
and the East.

General Corbin is Having the Militia- men Study Transportation and Camp Sanitation. Practice Marches now form the main part of the daily pro- gramme.

Buenos Ayres, Aug. 31.—It is re-
ported at Asuncion, capital of Para-
guay, that President Ezcurra is will-
ing to resign, but that so far he has
been dissuaded from so doing by Gen-
erals Caballero and Escobada, who are
actuated by personal reasons.

JAPANESE BEATEN OFF

REPULSED AFTER SEVERAL AT-
TEMPTS TO CAPTURE PORT
ARTHUR FORTS.

RUSSIAN GUNS KNOCKED OUT

BUT THE SHATTERED ORDNANCE
IS REPLACED WITH SOME
FIELD PIECES.

St. Petersburg, Aug. 31.—Direct
news from Lieutenant General Stoessel,
commander of the Russian mili-
tary forces at Port Arthur, up to Aug.
25, of a favorable character, has been
received here.

General Stoessel's report says that
the Japanese attacks were repulsed
till Aug. 27, with heavy loss to the at-
tackers. He gives no details of the po-
sitions held or the Russian losses in
men, but says the officers suffered se-
verely, especially the younger ones.
Some of the larger Russian guns were
placed out of action by the Japanese
batteries and were replaced by field
pieces.

The general describes the stench
from the decaying bodies between the
lines as being horrible. He reports that
the morale of the garrison is ex-
cellent.

Finally the general recommends
Generals Fock, Kondratenko, Smirnov
and others for bravery and devotion.

SITUATION AT PORT ARTHUR.

Japs Deliver Three Futile Assaults on
the Baredoutny Battery.

Chefoo, Aug. 31.—The following
word has been received from Port
Arthur:

"Aug. 23.—It is quiet on the eastern
front. The guns on Quail hill and the
shore batteries successfully bombarded
the enemy on the eastern front. The
Japanese have occupied the quarantine
station at the village of Dayangow.
The battleship Sevastopol went out
this morning to bombard the enemy
in Tahe bay, but withdrew under cover
of the batteries upon the appearance
of the cruisers Nishin and Kasuga,
with a detachment of torpe-
do boats.

"Aug. 24.—Last night and this morn-
ing the Japanese delivered three as-
saults on the Baredoutny battery, but
the enemy was driven off by shrapnel
from the rear with heavy losses.

"Aug. 25.—The Japanese are hur-
riedly entrenching at the foot of
Ouglovaya or Corner hill, to the north-
east of Port Arthur.

"Aug. 26.—There has been no
change."

TO END THE ORIENTAL WAR.

King of Belgium Wants President
Roosevelt to Use His Good Offices.

Oyster Bay, N. Y., Aug. 31.—Infor-
mation has been received at the ex-
ecutive offices here of the arrival in
New York of G. Francotte, a delegate
to the peace conference which is to be
held in September at the St. Louis ex-
position. He is said to be the bearer
of credentials from the king of Bel-
gium to President Roosevelt request-
ing the latter to use his good offices
in the restoration of peace between
Russia and Japan, but no engagement
has been made for Mr. Francotte to
see the president.

PICNICKERS ANNOY PARKER.

Enter Grounds Without Permission and
Commit Depredations.

Esopus, N. Y., Aug. 31.—Judge Park-
er's candidacy for president of the
United States has caused his place at
Rosemount to be visited by picnic
parties in constantly increasing num-
bers. Some of the parties come from
long distances. They enter the
grounds, usually without introduction
or permission, make themselves at
home and strew the grounds with pic-
nic leavings. One party recently
stripped several of the apple trees in
the orchard and committed other
depredations. Judge Parker has been
most cordial in his treatment of all
visitors, but the picnickers are caus-
ing much annoyance.

Tuesday was one of the quietest at
Rosemount since the Democratic na-
tional convention. The best known
visitor was Senator Trask, the New
York banker, who was a guest at
hatchoon.

FATAL FIGHT IN TENNESSEE.

Floyd Hilton Kills Two Men and
Wounds a Third.

Jellico, Tenn., Aug. 31.—While on
their way home from attending a cir-
cus Floyd Hilton of Palsey shot and
killed Will and Flem Bray of Mud
Creek, Ky., and dangerously wounded
their father when about a mile from
here. Hilton claims that during an
altercation the two Bray boys threw
him from their wagon and the shooting
followed.

Son of Senator Davis Ill.

Elkins, W. Va., Aug. 31.—John T.
Davis, only son of Democratic nominee
Henry G. Davis, is a patient in Davis
Memorial hospital. He was Tuesday
brought from New York suffering from
typhoid fever. His condition is criti-
cal. Senator Davis is very much wor-
ried, the death of his wife and daugh-
ter being due to the same malady.

RUSSIAN LOSSES THREE THOUSAND

General Sakharoff Telegraphs at
Conclusion of Tuesday's Battles
The Result.

SIXTEEN HOURS OF FIGHTING

Position Taken by Japanese Are Re-
taken by the Russians after
Desperate Fighting.

SPECIAL TO THE DAILY DISPATCH:

St. Petersburg, Aug. 31.—General Sakharoff telegraphed
at the conclusion of Tuesday's sixteen hours fighting around
Liaoyang the estimates of the Russian casualties for the
day. Figures are placed at three thousand. The battle
ended at 9 o'clock at night, when many positions occupied
by the Japanese were retaken and held by the Russians af-
ter desperate fighting. No news was received from Liao-
yang today.

CRUSADE ENDS IN MURDER.

Pennsylvania Detective Kills One Man
and Wounds Another.

Pittsburg, Aug. 31.—The crusade
carried on by the Allegheny county
Sabbath Observance association for
the past three weeks to enforce the
Blue laws of 1794, resulted in riot and
murder in Allegheny Tuesday. The
man who was killed was identified at
Harry D. Knox, driver of an ice wa-
gon. The enforcement of the old laws
which prohibit the sale on Sunday of
ice, soda water, candy, cigars and
other articles of merchandise has
aroused intense feeling throughout the
county and many threats have been
made against the prosecutors.

Tuesday night Chief Detective for
the association H. T. Gamble and two
of his force, Nelson C. and Harry W.
Starkey, were on trial for perjury.
When the hearing was concluded a
mob of 1,000 made a rush for the de-
tectives. Gamble was knocked down
and rendered unconscious, while the
other detectives were roughly handled.
When the detectives left the office the
crowd renewed hostilities. Nelson
Starkey fired into the crowd twice, the
first shot wounding one man in the
hand and the second bullet entered the
abdomen of Knox, who died en route
to the hospital.

PURSUES SENATOR CLARK.

Insane Man Chases Montana Million-
aire at Missoula.

Missoula, Mont., Aug. 31.—United
States Senator W. A. Clark was at-
tacked here Tuesday by an insane man
known on the streets as Joe Peg, who
thought the senator had been breaking
the game laws and was carrying a
grouse in his hip pocket and who
threatened to take the senator's life.
Peg followed the senator several
blocks, persistently calling upon him
to hand over the grouse. Senator
Clark ran panting into the lobby of the
Florence hotel and demanded protec-
tion. He was sure that Peg had a
gun, for several times the latter had
made motions to pull it and threat-
ened to shoot unless the senator would
give up his game bird. The insane
man was overpowered.

AMERICAN IS VICTOR

THOMAS J. HICKS WINS THE OLYM-
PIC MARATHON FOOTRACE

AT ST. LOUIS.

St. Louis, Aug. 31.—The Olympic
marathon race, the third footrace con-
test of the kind ever held and the first
ever held on American soil, partici-
pated in by thirty-one men classed
among the fleetest runners of the
world, was won Tuesday by Thomas
J. Hicks of Cambridge, Mass., who is
the first American to win this event,
celebrated in the revival of Olympic
games. Albert J. Corey of Chicago,
a native born Frenchman, crossed the
goal line second, and A. L. Newton of
New York city crossed third. The
distance of the race was 40 kilometers,
equal to 24 miles and 1,500 yards.

This distance was run by Hicks in
the officially announced time of 3
hours, 28 minutes and 53 seconds;
Corey, 3 hours, 34 minutes and 16 sec-
onds; Newton, 3 hours, 47 minutes and
32 seconds.

The first Olympic Marathon race
was held at Athens, Greece, in 1896,
and was won by Loues, a Greek, in 2
hours and 55 minutes; the second race
was held in Paris in 1900, and was won

Fred Long of New York city was the
first runner to cross the goal line, but
he was immediately disqualified be-
cause he admitted that he had ridden
about three miles in an automobile,
because of physical exhaustion.

William R. Garcia of San Francisco,
one of the runners, was found at night
lying unconscious by the roadside sev-
eral miles from the stadium. He was
taken to the emergency hospital at the
world's fair and restored to con-
sciousness. He will recover.

UNABLE TO GET BOND.

Office of State Treasurer of Wiscon-
sin Declared Vacant.

Madison, Wis., Aug. 31.—Because
State Treasurer Kempf was unable to
furnish the \$350,000 additional bond
demanded of him by the governor the
latter has formally declared the office
of state treasurer vacant under the
statutes. Kempf declares that he will
be state treasurer until his successor
has been appointed and has qualified.
He does not believe any one can get
the required bond of \$350,000 and for
that reason expects to be able to serve
the remainder of his term. He has
notified all banks acting as state de-
positaries not to pay out any state
money for which he is responsible.

tragedy followed Stewart's fruitless
plea to his wife to return to him, she
having begun suit for divorce.

80 PER CENT OF THE ADULT POP- ULATION SUFFER FROM ONE PAINFUL AILMENT.

Think what this means. Imagine the
amount of misery that exists and is endured
simply because people do not know there is
an absolute cure.

The only way to cure any complaint is to
remove the cause. There are very few dis-
eases or ailments that can be cured by ex-
ternal application—and piles is not one of
them. Piles can be cured; the treatment
must, however, be internal, for the cause of
piles is an internal disorder of the liver or
the bowels. Even catarrh of the stomach
and bowels can be cured by DR. PERRIN'S
PILE SPECIFIC, The Internal Remedy.
Here is an instance of what this practically
infallible remedy will do:

Dr. C. A. Perrin, Helena, Mont.—Dear
Sir: I have nearly finished the former bottle
of Perrin's Pile Specific and am practically
well. My case was one which most physi-
cians would have pronounced incurable, as I
was afflicted with a dysentery and compelled
to go to the toilet room from three to five
times each day and each time would bleed
from one-half to one teaspoonful. I had to
resort to bandages and absorbent cotton to
check the flow of blood, and now the past
ten or twelve days there has been no sign of
bleeding and my appetite is good; have
gained ten pounds in weight and feel like a
new lease of life was given me.

Very truly yours,

FROM AN OLD SOLDIER.

Martin Minster, senior vice commander of the Park Region department of the G. A. R., and a member of Co. A, Third Minnesota infantry, says that he will support Congressman Buckman for the congressional nomination before the primaries. He says that there is a sentiment among the old soldiers in this vicinity that a man who has been so loyal to the old soldier who was loyal to "Old Glory" in those trying days of '61, is a safe man to put in the official directory of this great government. "Why Congressman Buckman has been successful in 27 per cent of his pension cases, or 17 per cent more than any other Minnesota congressman," said Mr. Minster. "The next best average was 10 per cent, and that is considered very good. And remember, too, this is Mr. Buckman's first term, and the average representative is not expected to accomplish a great deal during a first term in the house. In this Mr. Buckman has proven an exception to the rule. He has accomplished an immense amount of business with the postoffice department in securing rural routes; also with the land department in the protection of northern Minnesota timber. We feel that he should be sent to congress for another term, at least."

Mr. Minster says that Congressman Buckman will receive almost the entire vote of the men who follow logging and the woods, because so many of them have been employed by Mr. Buckman, and Martin has been unable to find a single man who has ever worked for the congressman who does not speak of him in the highest term as an employer. He has never been known to have given the working man the worst of it, every man leaving his employ satisfied—and that is saying a great deal for a man who has employed thousands of men.—Akeley Tribune.

STRIKE IS SPREADING

STOCK HANDLERS AT CHICAGO YARDS DECIDE TO JOIN THE STRIKERS.

OTHERS MAY ALSO GO OUT

EFFORTS ARE BEING MADE TO INVOLVE ALL TRADES IN PACKING INDUSTRY.

Chicago, Aug. 31.—A strong effort is to be made by the leaders of the unions now at the stockyards to spread the scope of the strike so that it will include every trade which is affiliated, in even a remote degree, with the packing industry.

The first step in this direction was taken Tuesday night when the stock handlers now employed at the yards voted to go on strike Wednesday. There are about 1,000 of these men, and their duties are to look after and feed the cattle in the pens between the time of their arrival at the yards and the time of their killing. Their action will make it incumbent upon the packers to provide other men to take their places at once.

President Donnelly of the butchers' union declared last night that he would be able to call out all the switchmen employed on the railroads which do business at the stockyards, and possibly to extend the strike to other departments of the railroads. A mass meeting of the strikers is to be held Wednesday at Watina hall.

So far as Kansas City is concerned the packers believe the strike is ended. The extra watchmen have been discharged and at least one-half of the strikers have gone back to work.

MUST BELIEVE IT

When Well Known Brainerd People Tell it so Plainly.

When public endorsement is made by a representative citizen of Brainerd the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man woman or child with any kidney trouble will find profit in the reading.

Mrs. M. G. Blake, of West Brainerd, says: "I suffered a great deal from inflammation of the kidneys and I grew worse in place of better. My back in the region of the kidneys was sore, lame and hurt me very much, an aching pain being ever present. The kidney secretions were dark in color and on standing deposited much sediment. When Doan's Kidney Pills were advertised I sent my son for a box. I was a little afraid I would not be able to use them for I cannot take some kinds of medicine. I found, however, that they were mild in their operations and did not produce any bad effects. Before taking them very long the kidney secretions became healthy in color, all deposit was removed and the soreness and pain were replaced by a perfectly comfortable feeling."

ELECTION day this year falls on Nov. 8, the latest possible date. The first Monday in November this year is the 7th and the law provides that election day shall be the first Tuesday after the first Monday in that month.

If you expect to run for county office your application must be on file with the county auditor before 12 o'clock tonight. This is for the benefit of those of our citizens who are not already candidates.

DEMOCRACY is about to go out of business. Dave Hill announces his retirement Jan. 1st and the voters will see that Parker and Davis are retired Nov. 1st. The country isn't ready to return to "soup house" times.

A PROPOSITION to build an opera house has been submitted to the citizens of Little Falls by a St. Paul capitalist. The house will be built, to cost \$26,000, if the citizens will purchase 600 tickets to the opening performance at \$10 each.

EVERY voter should remember that the primary election to be held on Sept. 20th is for the purpose of placing men in nomination for offices for election on Nov. 8th. If you do not take interest enough to turn out to the primary election do not kick if some man is nominated whom you think is unfit to fill the position and for whom you would not care to vote.

JOHN T. FRATER, the republican candidate for state senator, will receive the party nomination without opposition at the primaries and will be elected by the people of this district on the 8th of November to represent them in the upper branch of the state legislature. Mr. Frater has lived in Brainerd for over 20 years, 16 of which he has spent in the county treasurer's office, and during that time he has come in contact with more people than any other one man in the county, all of whom can attest to his ability and fitness to fill the office to which he now aspires. With Mr. Frater in the senate and Messrs. Bouck and Rider in the house the people of this legislative district can rest assured that their interests will be well cared for. The ticket should receive the support of every loyal republican in the district.

C. B. BUCKMAN's record during his first term in congress certainly commends him to the people of this district for a second term. A vote for him at the primary election is a vote for a man who can and will aid Crow Wing county in any measure that may come up. His friendship for this locality is acknowledged by all and as his home county adjoins Crow Wing you are practically voting for a home man when you cast your ballot for him.

FROM AN OLD SOLDIER.

Martin Minster, senior vice commander of the Park Region department of the G. A. R., and a member of Co. A, Third Minnesota infantry, says that he will support Congressman Buckman for the congressional nomination before the primaries. He says that there is a sentiment among the old soldiers in this vicinity that a man who has been so loyal to the old soldier who was loyal to "Old Glory" in those trying days of '61, is a safe man to put in the official directory of this great government. "Why Congressman Buckman has been successful in 27 per cent of his pension cases, or 17 per cent more than any other Minnesota congressman," said Mr. Minster. "The next best average was 10 per cent, and that is considered very good. And remember, too, this is Mr. Buckman's first term, and the average representative is not expected to accomplish a great deal during a first term in the house. In this Mr. Buckman has proven an exception to the rule. He has accomplished an immense amount of business with the postoffice department in securing rural routes; also with the land department in the protection of northern Minnesota timber. We feel that he should be sent to congress for another term, at least."

Mr. Minster says that Congressman Buckman will receive almost the entire vote of the men who follow logging and the woods, because so many of them have been employed by Mr. Buckman, and Martin has been unable to find a single man who has ever worked for the congressman who does not speak of him in the highest term as an employer. He has never been known to have given the working man the worst of it, every man leaving his employ satisfied—and that is saying a great deal for a man who has employed thousands of men.—Akeley Tribune.

STRIKE IS SPREADING

STOCK HANDLERS AT CHICAGO YARDS DECIDE TO JOIN THE STRIKERS.

OTHERS MAY ALSO GO OUT

EFFORTS ARE BEING MADE TO INVOLVE ALL TRADES IN PACKING INDUSTRY.

Chicago, Aug. 31.—A strong effort is to be made by the leaders of the unions now at the stockyards to spread the scope of the strike so that it will include every trade which is affiliated, in even a remote degree, with the packing industry.

The first step in this direction was taken Tuesday night when the stock handlers now employed at the yards voted to go on strike Wednesday. There are about 1,000 of these men, and their duties are to look after and feed the cattle in the pens between the time of their arrival at the yards and the time of their killing. Their action will make it incumbent upon the packers to provide other men to take their places at once.

President Donnelly of the butchers' union declared last night that he would be able to call out all the switchmen employed on the railroads which do business at the stockyards, and possibly to extend the strike to other departments of the railroads.

A mass meeting of the strikers is to be held Wednesday at Watita hall.

So far as Kansas City is concerned the packers believe the strike is ended. The extra watchmen have been discharged and at least one-half of the strikers have gone back to work.

MUST BELIEVE IT

When Well Known Brainerd People Tell it so Plainly.

When public endorsement is made by a representative citizen of Brainerd the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man woman or child with any kidney trouble will find profit in the reading.

Mrs. M. G. Blake, of West Brainerd, says: "I suffered a great deal from inflammation of the kidneys and I grew worse in place of better. My back in the region of the kidneys was sore, lame and hurt me very much, an aching pain being ever present. The kidney secretions were dark in color and on standing deposited much sediment. When Doan's Kidney Pills were advertised I sent my son for a box. I was a little afraid I would not be able to use them for I cannot take some kinds of medicine. I found, however, that they were mild in their operations and did not produce any bad effects. Before taking them very long the kidney secretions became healthy in color, all deposit was removed and the soreness and pain were replaced by a perfectly comfortable feeling."

MUSIC AND DRAMA.

"A ROMANCE OF COON HOLLOW."

The Cincinnati Enquirer said of "A Romance of Coon Hollow," which appears next Thursday night at the Brainerd Opera House: "If a thing of beauty is a joy forever Coon Hollow must be just lovely, as it is nightly delighting splendid houses. The scene showing the band of colored boys and girls in songs and dances fairly brings down the house. It differs from the Pickaninny band in "Old Kentucky" and the Rising Sun Roarers of "Blue Jeans," and is fully the equal of either. Better than this, the play has an interesting and consistent plot, with refined comedy, and the strongly drawn characters have a splendid company to interpret them. The scenic effects, are simply magnificent." "A Romance of Coon Hollow," which has had over ten years of unvaried success comes to the Brainerd Opera House Thursday night with the same production seen originally at the 14th Street Theatre, New York. Seats now selling at H. P. Dunn & Co.'s drug store.

You can't expect to do away with face blemishes in a week's time. Keep on taking Hollister's Rocky Mountain Tea. You'll have a lovely complexion. 25 cents, Tea or Tablets. H. P. Dunn & Co.

PROGRESSING RAPIDLY

Contractor Johnson Putting in an Average of 80 Feet a Day on Sewer in Second Ward

Work on the Second ward sewer is progressing rapidly these days. With a comparatively small crew Contractor Johnson is putting in an average of 80 feet a day. The sand and the depth compel careful and systematic curbing, but with this precaution it is splendid digging and the bottom is perfectly dry, rendering it possible to do a perfect job with a minimum of labor. They will be out of the park by Saturday night, so far as laying the sewer is concerned and will finish easily before cold weather.

Engineer Woolman will finish making out the special assessments this week and have them ready for the city council at its next regular meeting, which falls on Labor Day night, so will probably be postponed. The assessments will be \$7.75 for each 25-foot front and are payable at any time but are due and collectable in three equal annual payments. This will render the burden light, especially to the man who owns only his home.

Mrs. C. D. Landish, Holland—Was all run down; could not eat, sleep, or work. Hollister's Rocky Mountain Tea made me strong and robust. Great tonic. 35 cents, Tea or Tablets. H. P. Dunn & Co.

BASE BALL NUBS

The Brainerd team will play two games with the Duluth Fashions Sunday and Monday in the city. This is composed of some very good players, and will probably pick up some of the old Northern League players for the two games. This will probably be Brainerd's last appearance on the diamond this year and as the boys have played good ball this summer they should be accorded a big attendance at both games. Of course the game on Monday will be largely attended as this is Labor Day and the game is part of a big program of sports for that day. It is thought now that Mattson will pitch the Sunday game and "Jim" Boyle will do the twirling in the Monday game.

The name of Denny Sullivan appears in the reserve list of Manager Watkins, of the Minneapolis team, for next year.

It is understood that Cloquet refused to play another game with the locals. An effort was made to secure this team for the games here Sunday and Labor Day.

MUSIC AND DRAMA.

"A ROMANCE OF COON HOLLOW."

The Cincinnati Enquirer said of "A Romance of Coon Hollow," which appears next Thursday night at the Brainerd Opera House: "If a thing of beauty is a joy forever Coon Hollow must be just lovely, as it is nightly delighting splendid houses. The scene showing the band of colored boys and girls in songs and dances fairly brings down the house. It differs from the Pickaninny band in "Old Kentucky" and the Rising Sun Roarers of "Blue Jeans," and is fully the equal of either. Better than this, the play has an interesting and consistent plot, with refined comedy, and the strongly drawn characters have a splendid company to interpret them. The scenic effects, are simply magnificent." "A Romance of Coon Hollow," which has had over ten years of unvaried success comes to the Brainerd Opera House Thursday night with the same production seen originally at the 14th Street Theatre, New York. Seats now selling at H. P. Dunn & Co.'s drug store.

You can't expect to do away with face blemishes in a week's time. Keep on taking Hollister's Rocky Mountain Tea. You'll have a lovely complexion. 35 cents, Tea or Tablets. H. P. Dunn & Co.

PROGRESSING RAPIDLY

Contractor Johnson Putting in an Average of 80 Feet a Day on Sewer in Second Ward

Work on the Second ward sewer is progressing rapidly these days. With a comparatively small crew Contractor Johnson is putting in an average of 80 feet a day. The sand and the depth compel careful and systematic curbing, but with this precaution it is splendid digging and the bottom is perfectly dry, rendering it possible to do a perfect job with a minimum of labor. They will be out of the park by Saturday night, so far as laying the sewer is concerned and will finish easily before cold weather.

Engineer Woolman will finish making out the special assessments this week and have them ready for the city council at its next regular meeting, which falls on Labor Day night, so will probably be postponed. The assessments will be \$7.75 for each 25-foot front and are payable at any time but are due and collectable in three equal annual payments. This will render the burden light, especially to the man who owns only his home.

BASE BALL NUBS

The Brainerd team will play two games with the Duluth Fashions Sunday and Monday in the city. This is composed of some very good players, and will probably pick up some of the old Northern League players for the two games. This will probably be Brainerd's last appearance on the diamond this year and as the boys have played good ball this summer they should be accorded a big attendance at both games. Of course the game on Monday will be largely attended as this is Labor Day and the game is part of a big program of sports for that day. It is thought now that Mattson will pitch the Sunday game and "Jim" Boyle will do the twirling in the Monday game.

The name of Denny Sullivan appears in the reserve list of Manager Watkins, of the Minneapolis team, for next year.

It is understood that Cloquet refused to play another game with the locals. An effort was made to secure this team for the games here Sunday and Labor Day.

second, D. D. Murphy, Blue Earth City;

third, George W. Bacheelder, Faribault;
fourth, Henry F. Wessel, St. Paul;

eighth, A. C. Weiss, Duluth;

ninth, John E. Ostrom, Warren.

Minneapolis, Aug. 31.—At one of the
most harmonious state conventions
which Minnesota Democracy has ever
held, the foregoing state ticket was
agreed upon to be submitted to the
suffrage of the voters of the state next
November. Each nomination was
made by acclamation and opposition
was raised to but one candidate, and
this was so overwhelmingly opposed
to the sentiment of the convention
that it was scarcely worthy of note.

JOHN A. JOHNSON.

John T. Byrnes of Litchfield opposed
the name of Justice John A. Lovely,
now serving as a Republican on the
state supreme court, and moved that
his name be stricken from the report
of the committee to whom had been
left the selection of a judicial ticket.
The motion found but few supporters
and was defeated by a mighty chorus
of "noes." The convention apparently
was heartily in sympathy with the
idea of a non-partisan judiciary, and
in addition to Justice Lovely, indorsed
Justice Calvin L. Brown of Morris,
also a Republican member of the su-
preme court.

Despite the fact that it had been
stated that Former Governor John
Lind would not accept a nomination
for any office, he was unanimously
chosen for the term which begins
Jan. 1, next, at which time Justice
Wallace B. Douglas retires. Governor
Lind's Republican opponent will be
Judge Edwin A. Jaggard of St. Paul.

ACCUSED OF MANY MURDERS.

Connecticut Man Suspected of Cold
Blooded Crimes.

Colchester, Conn., Aug. 31.—That
Gershon B. Marx, now held in the
Norwich county jail, is the perpetrator
of a series of cold blooded murders
probably without precedent in the his-
tory of Connecticut, is the belief of the
state officials who Tuesday began a
systematic search for bodies on the
Marx farm. Four murders and an at-
tempt to poison another man can, it
is believed, by these officials, be traced
to Marx.

The bodies of two of Marx's vic-
tims, Joe Pavol and Joe Palm, have
been found. Marx is awaiting trial
charged with the murder of Pavol, his
wife being held as a witness for the
state. The two bodies for which the
search was begun Tuesday are those
of an eighteen-year-old boy named
Harry and a Hebrew peddler.

The motives for the crimes can only
be traced to an insane desire on the
part of Marx to escape paying money
to persons to whom he was indebted.
The men whose bodies have been
found were six months behind in their
wages, as was the young boy Harry,
of whom no trace has yet been found.
The Hebrew peddler visited Marx's
house and was never again seen alive.
Marx is thought to have drugged all
his victims and then killed them with
cyanide.

NO TRUTH IN THE REPORT.

Berlin, Aug. 31.—Complete and posi-
tive denial is given here of the report
circulated in Paris that Emperor Wil-
liam is contemplating a tender of good
offices with a view to ending the Russo-
Japanese war. It is authoritatively
stated that there is "not a word of
truth in the report."

JAP LOSS AT ANPING.

Two Thousand Men Killed or Wounded
in Engagement.

Tokio, Aug. 31.—The Japanese lost
2,000 men killed or wounded at the
battle of Anping. The Russian losses
have not been estimated, but are said
to have been heavy.

The Japanese captured eight guns
at Anping and eight at Anshanshan.

SULTAN MURAD V. IS DEAD.

Dethroned Turkish Ruler Expires in
Prison at Constantinople.

Constantinople, Aug. 31.—Former
Sultan Murad V. is dead of diabetes,
from which he had long suffered.

Murad V. was born in 1840 and
ascended the throne after the murder
of Sultan Abdul Aziz in May, 1876. In
July of that year Murad was placed
under the regency of his brother, the
present sultan, Abdul Hamid II, and
on Aug. 31 he was dethroned because
of alleged insanity.

The confinement of Murad has been
of the cruellest character. Only his
jailers were allowed to see him and
every precaution was taken to prevent
any intelligence of what was going on
in the outside world from reaching
him.

The men whose bodies have been found were six months behind in their wages, as was the young boy Harry, of whom no trace has yet been found. The Hebrew peddler visited Marx's house and was never again seen alive. Marx is thought to have drugged all his victims and then killed them with an axe.

SULTAN MURAD V. IS DEAD.

Dethroned Turkish Ruler Expires in Prison at Constantinople.

Constantinople, Aug. 31.—Former Sultan Murad V. is dead of diabetes, from which he had long suffered.

Murad V. was born in 1840 and ascended the throne after the murder of Sultan Abdul Aziz in May, 1876. In July of that year Murad was placed under the regency of his brother, the present sultan, Abdul Hamid II, and on Aug. 31 he was dethroned because of alleged insanity.

The confinement of Murad has been of the cruelest character. Only his jailers were allowed to see him and every precaution was taken to prevent any intelligence of what was going on in the outside world from reaching him.
